

Pass The Buck Fundraiser

Every \$12 gives a family \$1 a month, for a year

Many families here are on the edge of being homeless, choosing between food and rent. Children are suffering most, and parents are overwhelmed. WCMG wants to make sure no one is left behind — join us before it gets worse.

12

families walking this journey with us right now

EVERY \$12 GIVES

\$1

sent every month for a minimum of a year, per family

100%

of every gift goes to families — no overhead

Why monthly, not all at once

A big check spent all at once helps for a moment. A promise that shows up every month builds something more — stability, trust, and a real relationship. Families know it's coming, can plan around it, and know we're walking with them, not just handing something over and walking away.

How it works

- 1 We meet with each family personally to learn what they actually need that month.
- 2 Your gift goes into a dedicated account set aside only for this program.
- 3 We publish a monthly report so you can see exactly where every dollar goes.

Ready to pass the buck?

Scan the code to give on GoFundMe, or reach out and we'll help you sponsor a family.
